through service without borders.

**UNITE
FOR
GOOD**

GUIDING OUR SERVICE BUILDING A BETTER WORLD

Together We Make a Difference

PREFERRED PRACTICES

We follow Rotary's best practices to ensure effective, ethical and sustainable service.

FOUR-WAY TEST

Of the things we think, say or do:

*Is it the **TRUTH**?
Is it **FAIR** to all concerned?
Will it build **GOODWILL** and
BETTER FRIENDSHIPS?
Will it be **BENEFICIAL**
to all concerned?*

7 AREAS OF FOCUS

PEACEBUILDING &
CONFLICT PREVENTION

DISEASE PREVENTION
& TREATMENT

MATERNAL &
CHILD HEALTH

WATER, SANITATION
& HYGIENE

BASIC EDUCATION
& LITERACY

COMMUNITY ECONOMIC
DEVELOPMENT

ENVIRONMENT

ROTARY VALUES

Fellowship, Integrity,
Diversity, Service and
Leadership guide
everything we do.

SUSTAINABILITY

We support projects
that build local capacity
and create lasting,
measurable impact.

OTHER CONSIDERATIONS

Does the request come from an individual or organization?
Registered charity?

Is the individual/organization endorsed by a Rotary club
in the project country?

Does the budget make sense?

Will our investment be used to leverage other funding?

Is the level of financial support requested reasonable?

Is the duration of the project acceptable?

Is this a reasonable and feasible solution
to the identified needs?

Are we satisfied with the oversight and
management of the project?

Is the project likely to succeed without
our financial support?

TOGETHER, WE **UNITE FOR GOOD** AND CREATE LASTING CHANGE.

2025-2026 Projects

Cold Saves Lives – Chilling For Life - GG2464351

The purchase of three specialized biomedical devices:
a hypothermia system, integrated amplitude-integrated
electroencephalography (aEEG), and cerebral oxygen
saturation monitoring using near-infrared spectroscopy (NIRS).

Hypothermia
System

Integrated
aEEG

NIRS
Monitoring
